

Let's Remember Together!

Do you have a special Christmas memory from a church gathering or including your church family? Maybe it's from your childhood? Maybe it was last year? The timing doesn't matter! The memory does.

This year Christ Church is inviting you to remember Christmas past and the joys that church has brought to your celebrations.

We are asking everyone who is interested to join us! All you need to do is submit your story to the church office in person, by email (CUMC350@gmail.com), or by mail (350 Saratoga Rd. Amherst, NY 14226). It's that easy. Please return by Sunday, **December 9**.

We only ask that your story include a church memory or a church family memory. Our goal is to remember that church isn't just something you do during the holidays, but it is an experience that can make this time more holy, more special, more memorable, and enhance the holidays in every way!

Merry Christmas!
