"Making Connections & Offering Opportunities  
for Faith, Love & Service"

## Weekly Update – March 3

### *Repurposed*

I've been picking up sea glass for years, slowly adding a few pebbles at a time to a jar. Visiting a beach, I can spend hours sifting through the sand looking for the tiny pieces whose edges have been tumbled round. While collecting, I've never had a purpose or idea for use ... until recently.

Honestly, it can be difficult for us to see beyond what is to what is possible. Sometimes all we can see of us, others, and our world is rough edges and cutting realities. We see ways and days which feel useless, without purpose. God knows, however, a truth of us, of others, and of our world that is beyond what we see. What is and appears dead and useless can become a work of art, the creation of community and a family bonded by love. By God's grace in Christ comes possibility, renewal ... resurrection!

Looking at this creative little representation of my family I made, I now see so much which reminds me of faith. Each small piece of glass whose hard jagged edges have been sanded away is a reminder of how God's forgiveness sands our sharp and rigid ways soft in grace; or something which has no value transformed into a thing of beauty, like we can by God's love in Christ. Through God, we are repurposed!

Visitation to elder residential communities, long term care centers, and nursing home recently was expanded. We recognize, however, that each person's comfort level regarding visits differs. At this time we would ask that if you are interested in a pastoral and / or visits from members of the Visitation Team, please contact the church office.

### **In-person activities and options expanding!**

In addition to encouraging and welcoming all back to worship, other church related activities will begin resuming with an in-person option this month. We remain committed to the best possible practices to insure people's health and safety, seeing in Jesus the deep care and concern for the health and wholeness of all people. To that end, we continue to follow the guidance in regards to the health and safety of all with mandated face coverings and physical distancing while in the building. In addition, if your church group is planning to return in person in March, we are asking that you call the church office with the number of people in your group, and your preferred date and time so that we can safely accommodate all who utilize this building in appropriate spaces for the given day.

## *Lenten Study*

### *Entering the Passion of Jesus: A Beginner's Guide to Holy Week*

By: *Amy-Jill Levine*

*“Dive deep into the history of the last days before the crucifixion. Jesus’ final days were full of risk. Every move he made was filled with anticipation, danger, and the potential for great loss or great reward. Jesus risked his reputation when he entered Jerusalem in a victory parade. He risked his life when he dared to teach in the Temple.”*

*“In Entering the Passion of Jesus, author, professor, and biblical scholar Amy-Jill Levine explores the biblical texts surrounding the Passion story. She shows us how the text raises ethical and spiritual questions for the reader, and how we all face risk in our Christian experience.”*

*Christ Church will offer 2 opportunities to participate in this study via ZOOM:*

## ***Reopening for Church Groups***

Given recent changes in NY State COVID-19 guidelines, beginning March 1<sup>st</sup> any Christ Church group meetings (i.e. Teams, Circles, Study Groups) will be allowed back in the building! The decision to meet at Christ Church rests solely with each group - if your group feels more comfortable meeting virtually at this time, please continue to do so. Occupancy count of meeting rooms is still restricted, so if your group is interested in meeting in person at church, please contact Janelle in the office ([cumc350@gmail.com](mailto:cumc350@gmail.com) -or- 839-2460) with your group size and desired meeting date(s) & time. We will do our best to accommodate everyone at their "usual" date and time but may have to move things around a little. Masks and social distancing will still be required of anyone in the building, and other than a personal beverage container brought from home, no food or drinks will be allowed. Let's hope this is a first step back toward "old normal" - WELCOME HOME!
