## Hero Quest Week Six

### WIDOW GIVES ALL OF HER MONEY

Jesus was in the synagogue watching people putting their offerings in the offering box and some were putting a great deal of money.

Then a widow came to the box and dropped in 2 coins. Even though it was not a lot of money it was all she had. Jesus noticed her because she gave all her money.

The word of the week was “daring” and the widow fits into this

category because she gave all that she owned and was very generous to God.

This week, to represent the widow and the money she gave to God the kids made banks to hold their money that they would give to help grow God's kingdom.

Mr. Miller, a police officer, came to church on Sunday to talk about his work and how his job involves helping people be safe every day.
